## Friday, September 20, 2019

# Join us for Long Island's 7th Annual Car Free Day!

Car Free Day is an international event celebrated every September during which people are encouraged to use alternative modes of transportation such as taking mass transit, carpooling, biking, walking and telecommuting. Using cars less helps reduce traffic, conserve energy, reduce harmful emissions, reduce parking problems and save money!

Join the many companies, colleges and other organizations on Long Island who are encouraging their employees, students and members to pledge to be car-free or car-lite.
