Montauk We Hope

Bicycle Tour & Barbeque benefiting Hope House Ministries featuring the

X-Treme Ride

September 6, 2014

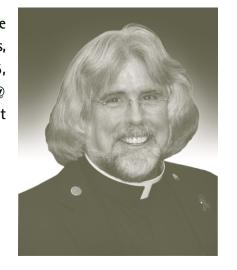

About Montauk We Hope

In 2000, TRITEC Real Estate Company created a fund-raising bike tour to improve the health and well-being of our employees while making a positive contribution to our local community.

This year's tour is scheduled for September 6th with Hope House Ministries in Port Jefferson, New York as the primary beneficiary. Founded in 1980, Hope House has expanded their outreach to eleven separate facilities that offer residential, counseling and educational services focused on restoring hope to the lives of young people and families in crisis. It is our "Hope" to expand our outreach to other valuable and much needed service-based programs in the community as well.

Whether you are an alumni or a first-timer, the Tour has something for everyone. The 75-mile route takes riders through the scenic vineyards along the beautiful North Shore of Long Island to the sandy beaches of Montauk on the South Fork. The "X-Treme" ride provides a unique challenge for advanced cyclists who want to go the 25 "X-tra" mile distance by circling the Montauk Lighthouse.

For more information on the Bike Tour or Sponsorship opportunities, please call 631.706.4085, email us at information@montaukwehope.org, or visit www.montaukwehope.org
