UPDATE

It is with a heavy heart that we must announce the **official CANCELLATION** of **Bike Boat Bike 2020**. After weeks of concerted efforts to figure out how to keep this event from being cancelled, it has come to light that there are no longer any options to save this event. Due to the continued high risk of the COVID-19 virus spread, and the uncertainty of when this pandemic will end, there is no way to even reschedule the event for this year.

We are truly grateful for your patience as we navigated our way through this extremely difficult and unprecedented situation. It is our sincere hope that this world wide health crisis will come to an end soon, and we can all look forward to a brighter future ahead.

We wish you good health and safety during these challenging times.

Sincerely,
Suffolk Bicycle Riders Association

UPDATE

Sadly, given the rapid spread and continued uncertainty pertaining to the COVID-19 virus pandemic, SBRA has CLOSED registration for Bike Boat Bike 2020 at this time. In the 40 years of running this annual event, there has never been a worldwide health threat of this magnitude and we have been working diligently on all options regarding this event, including cancellation.

Our number one goal is to ensure the health and wellbeing of all Bike Boat Bike participants, as well as for all SBRA volunteers who donate their time to run this great event. Within the next two weeks, we will provide more information and an update on this event.
