The New York State Department of Transportation (NYSDOT) seeks input regarding the proposed new Barnes Road interchange at NYS Route 27 (Sunrise Highway), between William Floyd Parkway and Wading River Road, in the Town of Brookhaven, Suffolk County. NYSDOT's proposed plans to construct this new interchange will be on display for review.

NYSDOT representatives will be on hand to answer questions and receive comments on the proposed alternatives to address the limited connectivity, increase mobility, minimize socioeconomic and environmental impacts, and develop cost effective transportation options.
