

Dear SBRA Member or Pending Member,

As you may have noticed we are always adding **more features** to the **SBRA website**.
We continuously strive to maintain our status as providing the best bicycle club and club website on Long Island.

Most recently we added the **Ride Statistics reports** so **you can look up your own ride mileage, ride leader stats, ride sweep stats and more**.

<http://www.sbraweb.org/?q=node/178> *(must be logged in to view the reports on this page)*

Our new efforts are to improve the membership management tasks for SBRA.

In order to improve on the efficiency of the process we ask that those of you who have been paying your membership renewals by check or those interested in joining SBRA to ...

Please consider using the fully automated online signup process on the SBRA website.

<http://www.sbraweb.org/?q=catalog/30> *(must be logged in to view this page)*

If you do not currently have a PayPal account **you can actually sign up for a FREE account "while" you are signing up for or renewing your SBRA Membership online.**

You don't even have to leave our website to do it. It's amazingly easy and quick to signup online.

Renewing by check causes a considerable amount of extra work for volunteers and it can take up to 45 days to activate your website access.

SBRA is run by volunteers and our goal is to make every effort to keep the amount of work needed from these volunteers to a minimum.

Again, **please consider signing up for or renewing your SBRA Membership by the automated online signup process** right here on the SBRA website.

<http://www.sbraweb.org/?q=catalog/30> *(must be logged in to view this page)*

Try it ... you will be amazed at how easy it is. Save the paper check and go green!

Thank you,
SBRA Website Management Team
